## **DETAILED ACTION**

1. Claims 18-34 stand withdrawn from further consideration pursuant to 37 CFR 1.142(b) as being drawn to a nonelected invention, there being no allowable generic or linking claim. Election was made **without** traverse in Paper No. 9.

### ***Information Disclosure Statement***

2. The information disclosure statement (IDS) submitted on 9-5-2002 is in compliance with the provisions of 37 CFR 1.97. Accordingly, the examiner has considered the information disclosure statement.

### ***Claim Rejections - 35 USC § 102***

3. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

(e) the invention was described in (1) an application for patent, published under section 122(b), by another filed in the United States before the invention by the applicant for patent or (2) a patent granted on an application for patent by another filed in the United States before the invention by the applicant for patent, except that an international application filed under the treaty defined in section 351(a) shall have the effects for purposes of this subsection of an application filed in the United States only if the international application designated the United States and was published under Article 21(2) of such treaty in the English language.

4. Claims 1-17 are rejected under 35 U.S.C. 102(b) or (e) as being anticipated by any one of Bareket, Sogawa, Huang, Nara et al., or Hiruma et al.

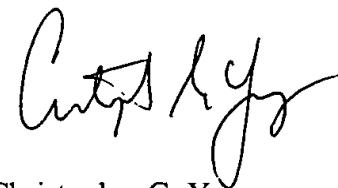

Each of these references clearly describe, teach, and suggest the essential requirements of the elected invention, that being reticles for use in lithographic projection exposure comprising

an alignment pattern with known deviations from the pattern encoded on the reticle. Please review each document in its entirety, but specifically the drawings and the Claims.
